

ENCOUNTER JESUS FOR WHO HE IS

CAN I GET A WITNESS?

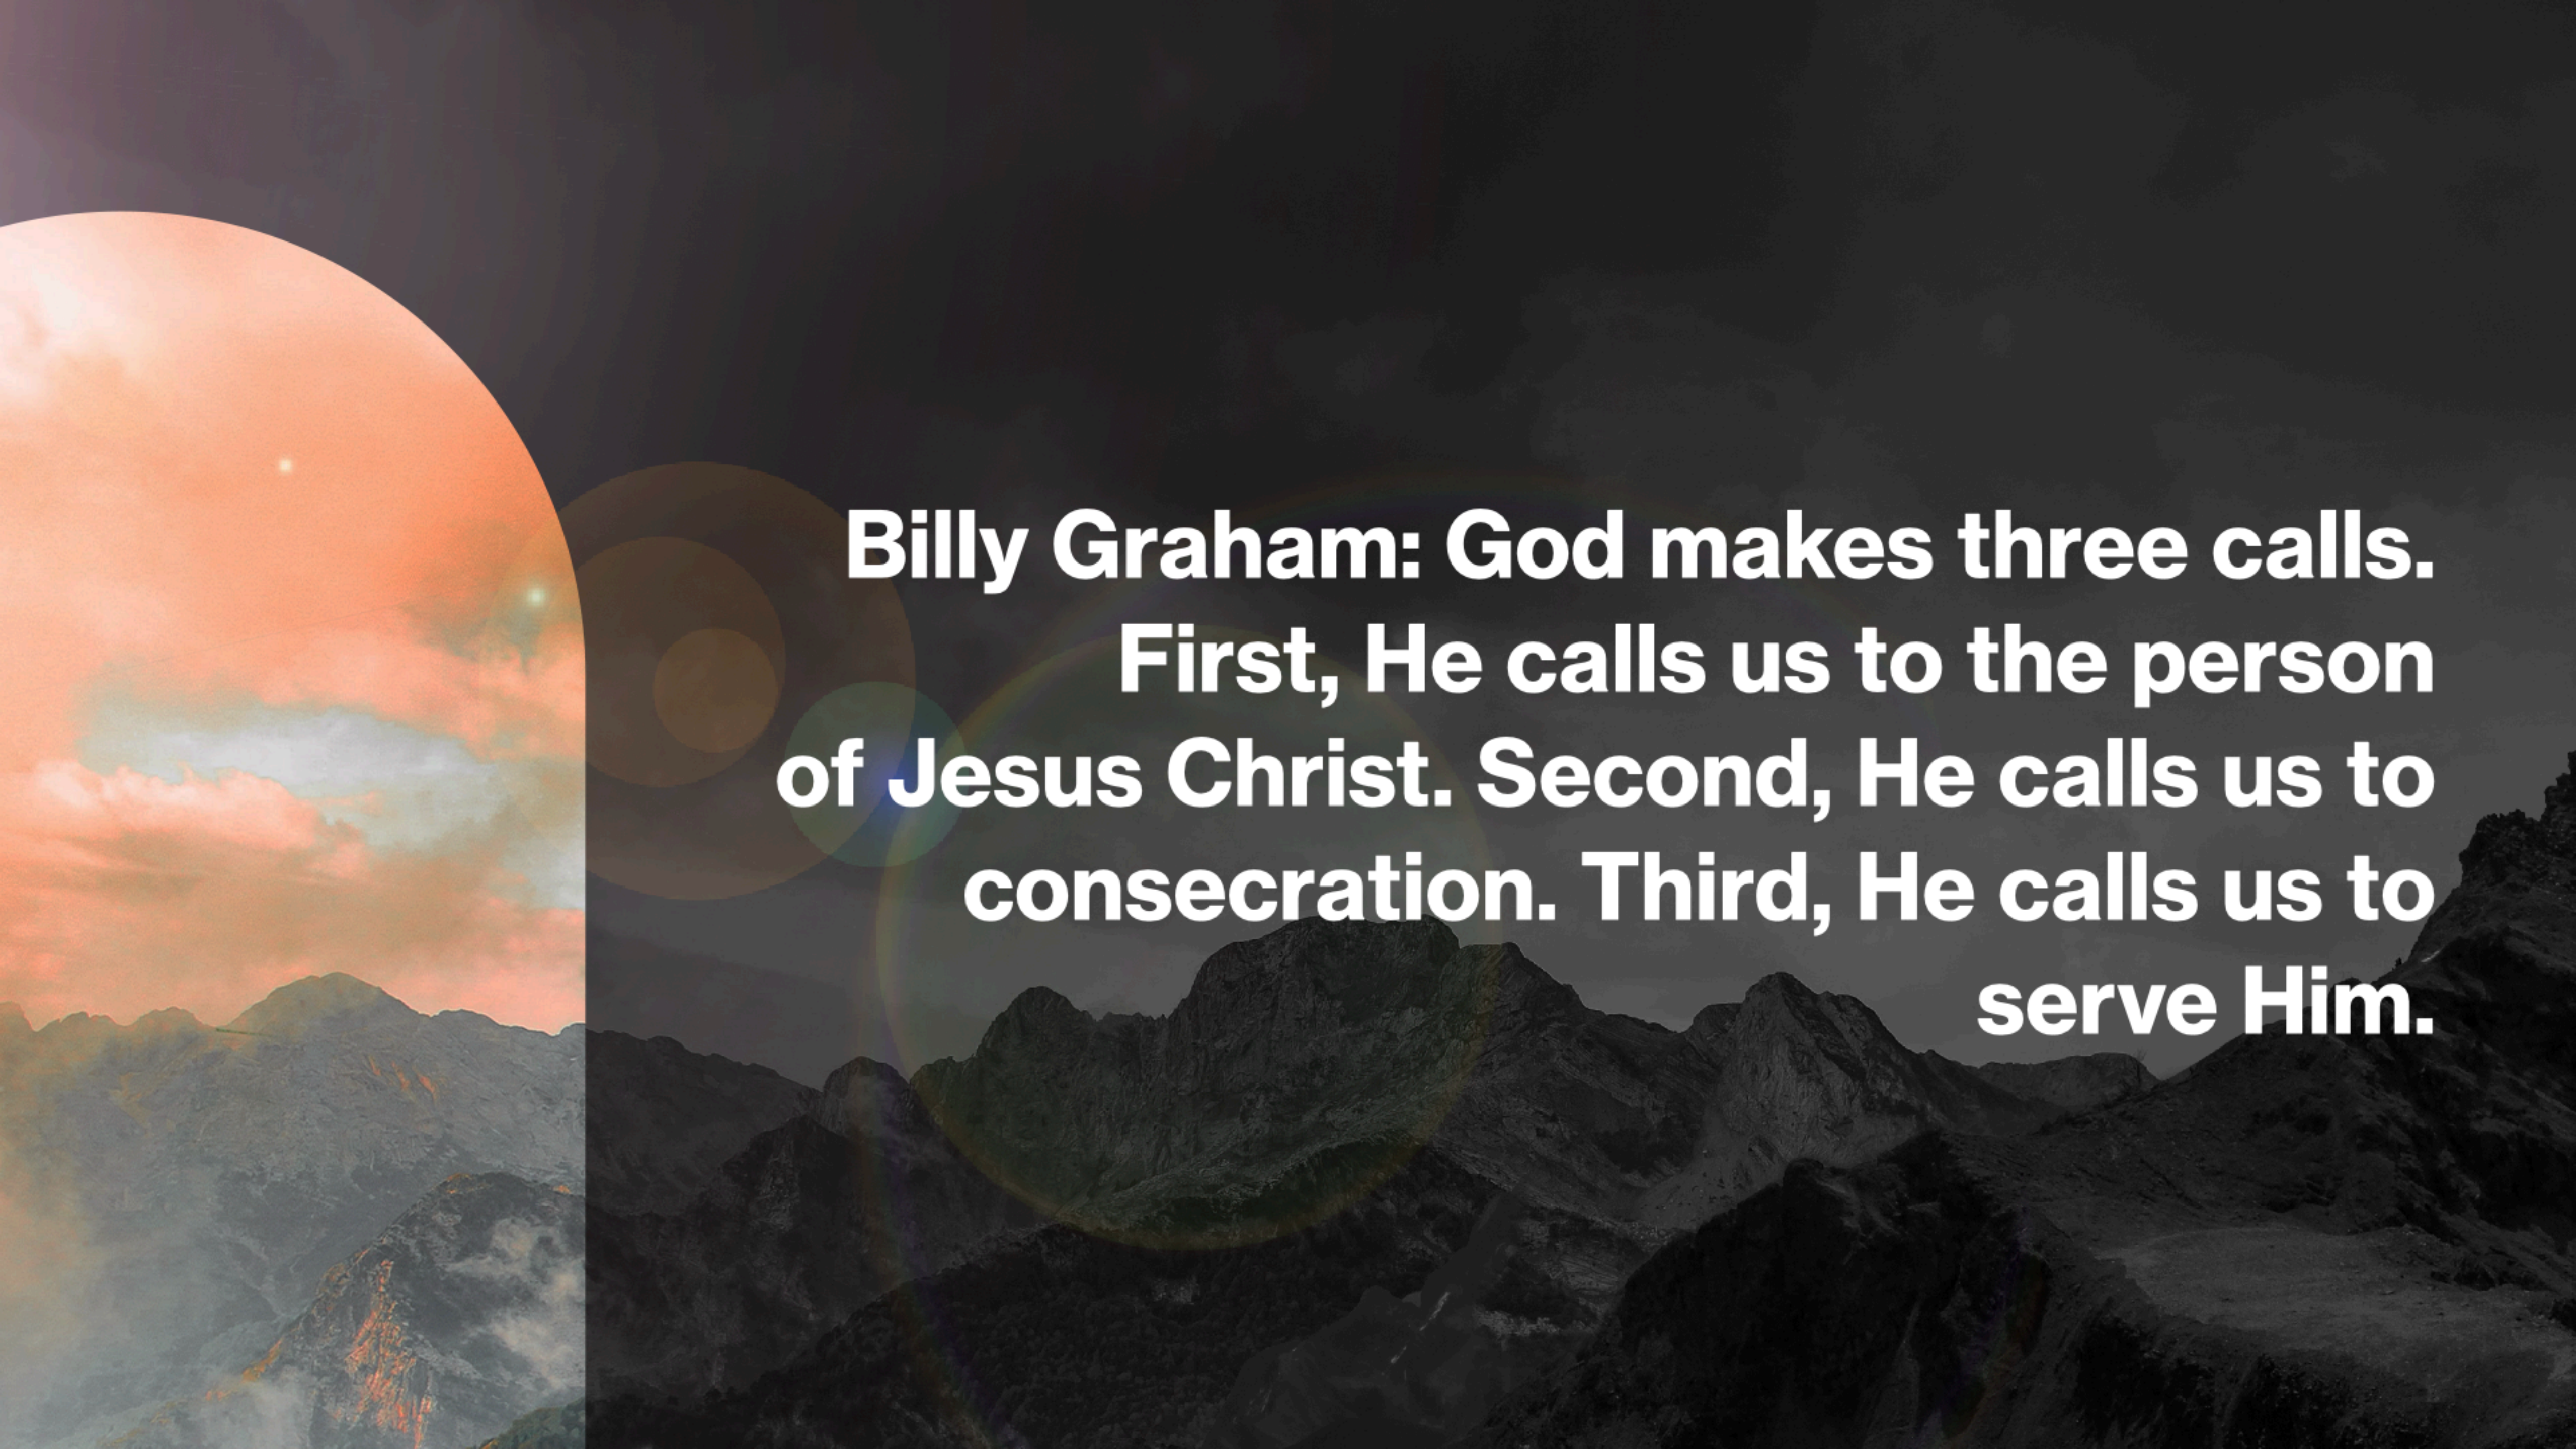

John 1:19-34

John the baptizer's life had enormous prophetic significance, massive Messianic importance and is a powerful prototype for the Christian witness.

1. Every true Christian has a real calling from God.

**Billy Graham: God makes three calls.
First, He calls us to the person
of Jesus Christ. Second, He calls us to
consecration. Third, He calls us to
serve Him.**

Witness: Being a witness is more than stating facts about Jesus it's about radiating the King and His kingdom through your life.

**2. Be courageous about your
calling to be a witness.**

3. Listen to God so that your confidence can come from Him, not from yourself.

The main responsibility of the prophet is not to declare God's word it is to hear God's voice.

**4. God authenticates your calling
with His power.**

He who calls you is faithful; He will surely do it.

1 Thessalonians 5:24

5. With the calling comes the struggle.
