

ENCOUNTER JESUS

THE WORDS OF LIFE

John 6:60-71

Embracing the sting of truth, seeing God's purpose in it for your spiritual growth and choosing to cling to that which is true is the pathway of the true disciple.

1. Realize that the battle is not between competing ideologies or what is culturally acceptable, but between the Spirit and the flesh; what is true and what is false.

And we impart this in words not taught by human wisdom but taught by the Spirit, interpreting spiritual truths to those who are spiritual. The natural person does not accept the things of the Spirit of God, for they are folly to him, and he is not able to understand them because they are spiritually discerned.

1 Corinthians 2:13-14

**Jesus' words bring life because
they are true. When you change
His words they no longer bring life.**

**He saved you not only from your sin but
a way of thinking that led to a lifestyle
that was in conflict with God, that
brought death.**

**2. The real issue is about belonging
to God.**

**Jesus wasn't focused on being popular
he was focused on saving souls.**

**3. Anchor yourself to the truth that
you do know.**

Whoever has the Son has life; whoever does not
have the Son of God does not have life.
